LinkedIn Profile: www.linkedin.com/in/s-kroy/

As UX professional, I create easy-to-use solutions and enjoyable experiences for enterprise platforms, consumer products and digital services. I have 10+ years of design experience with startups and leading corporations across multiple domains like healthcare and life science, IoT re-engineering, banking and finance, oil and energy. I connect cognitive behaviors with computing algorithms using data-driven insights & translate pragmatically into actionable business acumen. Understanding the user's perspective and crafting experiences that make an impactful difference by blending aesthetics with empathy.
